The Light That Never Fails

Another Large Shipment of Angle Lamps.

"THE ANGLE LAMP"

THE LIGHT THAT NEVER FAILS.

It is a fact that any lamp will burn enough to take the place of electricity on even terms, yet such is the case with the ANGLE LAMP. All over the Islands people are these days getting rid of lamps and replacing them with this lamp, not merely because it costs less than any other lamp, but because it is a great convenience. It never smokes, smells or gives any trouble, is lighted and extinguished with a touch of the finger tip, and is as safe as the light from a candle standing upright. We carry these lamps from \$1.00 up.
